Housekeeping odds and ends:

- 1) To be eligible for the Blitz Week prize, your scout must complete an order form between Oct. 1 and Oct. 11 (30 orders), then turn in a **COPY** of the form to your Den Leader. The Blitz Week order form will also be turned in for the first weekly prize drawing.
- 2) To be eligible for the Weekly Prize Drawings your scout must turn in a **COPY** of a full order form (30 orders) no later than the Thursday before each drawing date.
- 3) When turning in your completed orders at the end of the sale, tally your orders at the bottom of the form, make a **COPY** for yourself and turn in original to your Den Leader. Your scout should also have chosen his prize from the appropriate Trails End prize level and let your Den Leader know so that the prize can be ordered.
- 4) Online sales are another avenue for additional popcorn sales, especially for family and friends that live out of town. Though our commission isn't as high as direct selling, it is a way to sale to family and friends that do not live locally, and does still benefit the Pack. If you find that online selling is something you wish to pursue, please contact Cathy for instructions and a password for your Scout to the website. All internet sales must be tallied and turned in at same time as regular sales for the totals to qualify for pack prizes.

5) Totals from online selling do not count toward Council prizes (those listed in your sale packet by level) but they do have their own award levels.

6) Within your sale packet you received a separate form for popcorn orders for our Troops. Rather than a donation through Trail's End inform your customer that we will send popcorn to the Troops based on their order and both the Troops and our Pack will benefit.

7) Please remember to complete all customer information on your order form, including name, address and phone number. You will need all of this information for delivering their order.

Please contact Cathy or Stacy with any questions you may have.
