BSA rules require that we have a minimum of one adult per every two Cub Scouts and each Tiger Cub must have his parent accompany him to all Scouting functions. We must have a completed Class 1 medical form on file for all boys attending any Scout Campout or Trip (these should have been filled out in August). A Pack T-Shirt (\$10.00 each) is required for any Campout. When traveling to or from a Scout event, Cubs should wear their Pack T-Shirts.

Please Read Carefully—Pack 909 Camp Policy — Camping and other Pack paid events are enrichment activities intended to stimulate growth and benefit the development of our young Cub Scouts. Often, the Pack must prepay for events. If, for some reason, you must pull out of a Pack paid activity for which you signed up your Cub to attend, we ask that you reimburse the Pack that amount. If the event is canceled by the event sponsor, their reimbursement policies will apply, and reimbursement to the Pack and parents will be given accordingly.

Boy Scouts of America Hold Harmless Agreement – I understand that participation in the activity involves a certain degree of risk. I have carefully considered the risk involved and have given consent for myself or my child to participate in the activity. I understand that participation in the activity is entirely voluntary and requires participants to abide by applicable rules and standards of conduct. I release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all claims or liability arising out of this participation. In case of emergency involving my child, I understand every effort will be made to contact me. In the event I cannot be reached, I hereby give my permission to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for my child. Medical providers are authorized to disclose to the adult in charge examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.

I have read and understand and agree to these terms.
